

We are committed to

-  **Reliable**
-  **Convenient**
-  **Timely**

Water Analysis for all your needs.

Statewide Distribution Network

RMB has partnered with local municipals and environmental agencies throughout Minnesota to create a statewide network of laboratory services.

- Simply pick up a water testing kit
 - Return the sample the same day it was collected
 - We will take care of the rest
- Same day delivery from your local distribution center to our lab
 - No Mailing
 - No extra shipping & handling costs
 - No missed deliveries or deadlines
- Results typically sent within 2-3 business days

Call 218.846.1465 or visit www.rmbel.info to find a distribution center near you!
